## Agreement to Comply with "Safe Harbor Act" Requirements

There is a provision under the Texas Alcoholic Beverage Code known as the "safe harbor defense." Under this provision, an employer may be protected from administrative fines and sanctions if one of their employees makes an illegal sale of alcohol. To receive this protection, the employer must meet specific criteria demonstrating how they advocate and support safe service of alcohol within their establishment. Complying with "Safe Harbor Act" requirements will help protect your business, liquor license, employees, customers and communities. In addition, you can earn a 20% credit on your liquor liability premium with United States Liability Insurance Group! Here's all you need to do:

- All servers and sellers of alcohol (and their managers) must complete a current alcohol awareness training course approved by the Texas Alcohol Beverage Control Commission (TABC). Any course approved by the Texas Alcohol Beverage Control Commission is acceptable. Following are two examples of TABC-approved programs:
  - a. <u>Learn2Serve</u> provides TABC certification online! We have arranged for discounted pricing (\$15 per person) for United States
     Liability Group insureds. Register through <u>www.LiquorTraining.com</u> to receive the discounted pricing or call 800-442-1149, ext. 154 for more information.
  - b. <u>TIPS</u> trainers are available throughout the country: Call 800-438-8477 or visit <u>www.gettips.com</u> for information on obtaining TIPS training.
- 2. Have a <u>written policy</u> on responsible alcohol service. The policy should be reviewed with each employee and displayed prominently in your establishment. You should have each employee sign the alcohol policy to ensure they understand and agree to comply with the responsible service policy. For your convenience, we have provided a sample policy that you are free to adopt in your establishment.

Please complete, sign and return this form to your agent when requesting coverage. This information must be confirmed prior to requesting coverage in order to receive the 20% credit.

I hereby certify, under penalty of insurance fraud, this establishment has implemented the steps listed above. I agree to maintain written documentation of the above items, and understand this information may be requested at any time during or after the policy period. I have attached copies of the following:

- TABC-certification for every person involved in serving alcohol (and their managers)
- Our written policy on responsible alcohol service
